HILLSDALE COLLEGE

Second-Grade Teaching Position Job Posting

A mature, yet growing and vibrant, Christian classical school with a strong student and faculty culture, Hillsdale Academy is located on the campus of Hillsdale College in Hillsdale, MI and is an extension of Hillsdale College's commitment to American classical K-12 education. The Academy offers a content-rich education through a time-honored curriculum in the liberal arts and sciences with a focus on sound pedagogy, serving as a resource and exemplar for classical schools nationwide. As an overflow of that two-fold mission, the faculty of Hillsdale Academy dedicate themselves to excellence in the classroom, regularly fine-tuning the craft of teaching to serve their students well and to model the pedagogical principles upheld by Hillsdale College.

Hillsdale Academy is accepting applications for a second-grade classroom teaching position for the 2026-27 school year. Grades K-6 are self-contained classrooms at Hillsdale Academy, and teachers work closely with administration and with support from the Hillsdale K-12 education office to become experts in the teaching of Literacy Essentials and Dimensions Math. Our lower school teachers also provide robust instruction with a cohesive scope and sequence in the teaching of science, literature, and history.

Hillsdale Academy teachers are employees of Hillsdale College and receive attractive benefits packages and unique opportunities for professional development amongst a robust intellectual community. Salary will be competitive and based on experience and level of education. Further information about the mission and culture of Hillsdale Academy may be found at academy.hillsdale.edu. Interested candidates should send a cover letter and resume promptly to Headmaster Mike Roberts at mroberts@hillsdale.edu.
